## ***“Tomb Walking”***

### **Point 1:**

*Tomb walking \_\_\_\_\_ that we  
leave the \_\_\_\_\_.*

### **Point 2:**

*Tomb walking is always “\_\_\_\_\_”.*

*The past is a place of \_\_\_\_\_,  
not a place of \_\_\_\_\_.*

### **Point 3:**

*The \_\_\_\_\_ around our tomb hasn't \_\_\_\_\_  
but \_\_\_\_\_.*

*God designed our past to be off-limits to us, but the future, the fix, the repairing with Jesus as  
our teacher, our guide, our mentor and our power supply, that, ... is where we want to walk to,  
and where He calls us to walk to.*
